SECOND BAPTIST CHURCH

Has Gone Over the Top in Baptist 75 Million Drive.

The Second Baptist Church of this city has kept pace with the program of the 75 Million Campaign as mapped out by the head committees and is wide awake to the opportunities which this campaign presents. In fact, the enthusiasm of the members has run ahead and has been forcibly manifested by the fact that their membership has been canvassed and pledges taken and so gloriously have they "Gone Over the Top" that when "Victory Week" arrives they will be able to raise their voices in a genuine shout of Victory, knowing that it comes from a solid foundation

A Sunrise Prayer Meeting will be held at this church Sunday, November 30, and all interested in the success of this great campaign are cordially invited to attend and join with us in prayer and praise to the One "Who Giveth Us Victory Through Our Lord Jesus Christ."

Rev. Edward Taber, of Washington is delivering the gospel every night in a forcible manner, and the oftener heard the better liked. Come and hear for yourself.

Edgar Carpenter, assisted by Rev. E. B. Jackson, D. D.

The bride was attired in a taupe georgette dress and violet hat, and carried a shower bouquet of pink roses, and was given in marriage by her brother, Mr. Charles W. The home was handsomely decorated for the occasion and a wedding supper was served immediately after the ceremony. The guests present were the immediate family of the contracting parties.

CITIZENS OF ALEXANDRIA

We most urgently appeal to you to make this Thanksgiving Day a Memorial Day in the history of the Alexandria Hospital.

The hospital is working to its utmost capacity, most efficiently, and as economically as possible under the pressure of the high cost of everything. Those in charge of the upkeep, have by good management, with good judgment, carried on the life of the hospital from month to month with what means they could command, and without deficit, with faith in a benificent providence who has inclined the hearts of the Alexandria people to render aid as the emergency occured.

After two years of the most severe trials with the constant arduous calls for service, with the trying days of the scourge of the Flu. The hospital has borne the burden with most encouraging ability. Now our need calls for more than ever generous help. First to preserve in good condition our Hospital plant. The wood work on exterior of building must be painted to prevent it from decay. Our laundry must have machinery—capable of doing the work required, that placed in the building at the first is in great part out of commission—not having been of sufficient capacity to stand the amount of work required. Our physicians, and as we hear the dentists of this city are urging the necessity of an X-Ray plant. Nearest of all to the hearts of the people of Alexandria is our great need of an ambulance, one of which her citizens will be proud and one which their loved sick will not be ashamed to use in their helplessness

Help little or much as you and your friends have been benefited by having this institution in your midst. Our usual Thanksgiving appeal has been distributed through the churches and city for groceries, vegetables and anything you can contribute to help the work. Our board felt the especial necessity of bringing to your notice our great need for the things specified here, and we plead with you to take note of them.

Very rpsectfully,
MRS. L. WILBER REID,
President of Board of Managers of Alexandria Hospital.

WHY WORRY ABOUT BEING FAT OR THIN

Fat a Sign of Good Health Says Health Officer Foulks.

GOOD NEWS FOR FAT

Persons Who Eat Now Are Open to Suspicion of Having Buried Treasure or Rich Mother-in-Law

Many people spend more nervous energy in worrying about being too fat or too thin, than would be required to run a good sized engine. But why worry? When is a person too fat or too thin? Is it a normal condition or is it a disease?

Let us stop for a moment and look into this interesting subject a little. Taken by and large fat is a sign of general good health, far more than it is of disease. Then on the other hand it does not signify that a thin person is unhealthy, by any means. So there you are, six of one and half a dozen of the other.

Then again a person who might seem fat to A, might look nice and plump to B. And B might point out a thin person who A would stamp as being perfect! So—there you are again. It is more or less a matter of opinion who is fat and who is thin. Some people are normally fat or slim from childhood. This is just as natural as the color of the hair or other family traits. Again, mature men and women at a certain period of middle life, begin to take on a little extra flesh, or as we say, grow stouter. This is also a normal thing and should be expected. As a general rule, it is a far better sign as regards general health to begin to take on a little fat, than it is to start getting thinner! Of course some people grow stout because they have plenty to eat and nothing to do. That also is naturl, as it is simply cause and effect. Take such a person, give him plain food and regular work and the surplus fat will soon begin to fade away.

Nature is always ready to store up a reserve in the form of fat, whenever she gets a chance, but in these days of high priced foods I fear she won't do much storing of fat in our systems.

Any man who starts getting fat now, would be open to a very reasonable suspicion of having buried treasure or a rich mother-in-law! So don't start anything.

I never knew a slim man or woman who did not want to be fatter, nor a stout one who did not wish to be thinner, so as you see, it is a state of mind. One wants what the other can't give, and the other is mad clean through because he can't!

But why not be satisfied with what nature has given you? A stout person looks sort of prosperous anyhow, so why not let it go at that. But it is not fashionable, some stout ladies may say. But suppose it is not. Don't you think it is better to be unfashionable and healthy, than fashionable and unhealthy?

I have never seen strict fashion and good health shake hands and smile on each other when they met on the street!

Normal stoutness cannot be reduced by drugs without real damage to the system. Many people have ruined their health by trying to reduce their weight with various so caled fat reducing "dopes." Some will reduce weight, but it is at the expense of your health.

Better let well enough alone. Good health is better than style, every time. And remember that you can't fool with nature and get away with it! No wthis is just the fat side of the question, but I will take up the thin aspect in a later article, so don't worry.

SPORTS

The Alexandria High School-Charlotte Hall Military Academy contest will be staged tomorrow morning at 11 o'clock on the Shipyard field. Coach Hayden, of the scholastic lads, is planning on having a sweet revenge tomorrow, as the Chalotte Hall team defeated the local boys early in the season. The contest is sure to be well played. The visiting team will be received by the Community Center, where they will dress for the contest.

Two games are scheduled tomorrow afternoon at the Shipyard field, the Dreadnoughts meeting the 63d Infantry team and the Virginias playing the Seminoles. The first game will start promptly at 1.30 o'clock.

Coach Mueller, of the Dreadnoughts is planning on uncovering several new trick plays, which have been worked out in preparation for the coming games with the Rex A. C. and the Navy Yard elevens. These plays are said to be real speed acts, and should thrill the spectators.

Coach Cockrell, of the Virginians, has called a practice for this evening at the Virginias training spot, and all members of the team are requested to report at 6.15 o'clock.

A meeting of the Alexandria Basketball League will be held Friday night at 7 o'clock, at Comunity Center, Prince and Royal streets. All teams interested in the formation of the league should attend this meeting.

JOINT SESSION OF CITY COUNCIL HELD

Discuss Taking Over Streets in East Rosemont.

MATTER RECOMMITTED

Firemen Ask for $125 a Month—$10,000 Appropriated for Repairs to Streets and Roads.

An ordinance to provide for the taking over of the streets in East Rosemont were discussed last night at a joint session of the city council.

Following a general interchange of opinion the ordinance was recommitted to the joint committee on street and finance.

Those participating in the discussion included President Marbury, of the board of aldermen, who presided over the joint session; President Burke, of the lower board, and Councilmen Ruben, Desmond, Ticer, Baggett.

The joint session when it considers the ordinance again also will take up the question of taking over the streets in West Rosemont and George Washington Park.

Nine employees of the city fire department petitioned council to increase their pay to $125 a month owing to the high cost of living, they setting forth that it is impossible to make both ends meet on the present salary. The matter was referred to the committee on fire and finance.

The joint committee on finance and streets recommended appropriation of $10,000 for repairs to streets and roads and the resolution was adopted. The money will be spent under the direction of the committee on streets and city engineer.

Councilman Fletcher directed attention to the need of new traffic laws and regulations and President Burke suggested that the old laws presented in 1917 be taken up and revised to meet present day needs and presented for action.

The resolution providing for omitting back taxes on ground belonging to the Alexandria Hospital, which was reported on adversely by the board of aldermen. This resolution was adopted by the lower board at its last meeting. The action of the aldermen kills the proposition.

Other matters acted on follows. $150 appropriated for construction of sewer to connect with 1013 Duke street; Alexandria Lumber Company granted permission to erect shed at the northeast corner of Alfred and Wilkes streets; Charles T. Blount granted permission to erect garage in rear of 320 and 322 South Patrick streets; Herfurth Engine Company granted permission to erect shed on Strand, 120 feet south of Duke Street; petition for sewer on West Street between Cameron and Oronoco streets, referred to committee on streets and finance; petition of citizens of Braddock for electric lights was referred to the committee on light; petition of Mrs. Belle E. Mudd to erect three frame houses on Princess, between St. Asaph and Pitt streets and one on St. Asaph between Queen and Princess streets, was referred to the street committee; petition of Armour and Company to erect gasoline tank on Henry street north of its building at the northeast corner of Cameron and Henry streets, was referred to the street committee; bill of health department for $62.53 was adopted; resolution to widen doors of Columbia Engine House and remove horse stalls to make room for motor apparatus was referred to joint committee on fire and finance; resolution appropriating $700 for additional fire plugs was referred to joint committee on fire and finance; resolution appropriating $1,000 for making a plat book of the city was referred to the joint committee on finance and streets.

Progressive Alexandrian to Head Local Community Service Organization

Community Service was assured for Alexandria last night, when the permanent organization was perfected and plans for the coming summer discussed, at a meeting of the general committee at Community Center Prince and Royal streets.

A. D. Brockett, one of Alexandria's most progressive citizens, was unanimously elected chairman of Community Service, succeeding C. C. Lamond, who resigned. Mr. Brockett was elected to head this all important work owing to his executive ability, his progressiveness and his keen in sight into the needs of the community.

In a brief speech of acceptance, Mr. Brockett said, "I am indeed proud of the honor bestowed upon me, and I can only say that we will put Community Service over the top, by co-operation. I feel that this general committee will do its work in an able manner, and as we all see the real need of Community Service, we must all pull together, work for one common cause, put party lines aside and devote our energy to establishing a real Community Service for the betterment of the entire city."

Plans for the summer months were discussed, including the establishment of several play grounds. Secretary Marsh reported the activities during the past week, and his report, which showed a great deal of work, was well received. The general committee will be composed of not less than fifty and not more than one hundred.

Chairman Brockett will appoint and executive committee of seven members, which will report at the next meeting.

Dr. Kate Waller Barrett made several suggestions which were favorably received, and also delivered a short talk on the need for Community Service here in Alexandria. Dr. Barrett showed a thorough knowledge of conditions here, and also of Community Service.

PARODY ON THANKSGIVING

According to our American custom, tomorrow, the last Thursday of November, will be observed as Thanksgiving Day, when all are supposed to render their appreciation of the gifts of heaven. This will be done in the face of the fact that the world is in the most dissatisfied state ever known. While we have been receiving the early and latter rain and nature has been kind in every way to us mortals, millions are idle, refusing to take advantage of our blessing either by tilling the soil or taking from the earth that which is so upsparingly placed within reach.

Many will cross their hands tomorrow and bow their heads at tables groaning with sumptuous spreads whose thoughts are far from thanksgiving. Thousands who never enter a church save at weddings or funerals will spend the day gunning or in more questionable ways.

Half a century or more ago the late Thomas Davy conducted a store at the northeast corner of Prince and Royal streets. He was an Englishman by birth, and during the war between the states was a believer in the perpetuity of the American union. Mr. Davy was also one of the most consistent members of what was then known as the Methodist Episcopal Church in this city. The writer remembers entering his store one Thanksgiving Day morning with another boy who desired to purchase shot. The old man glared at the youth through his glasses and said in a positive tone: "No shot sold today." This essential to the day's sport was, however, later procured from one of Mr. Davy's employees.

Thanksgiving

None of our holidays of the year carries with it a holier sentiment or is so purely American in its significance as that of Thanksgiving Day. It is consecrated to the American home and carries with it a benediction of gratitude for the blessings of health, peace and contentment which we have enjoyed during the twelve months. No country in the world has so much to be thankful for this year as ours. Where most others are still suffering the results of warfare, famine and desolation America has practically returned to a prewar basis of tranquility. Make the home radiate this condition by supplying for that day the things that reflect comfort, happiness and abundance. Below are some practical and pleasing suggestions.

STOMACH UPSET?

Get at the Real Cause—Take Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the *real* cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles.

Have you a bad taste, coated tongue, poor appetite, a lazy, don't-care feeling, no ambition or energy, trouble with undigested foods? Take Olive Tablets, the substitute for calomel.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without griping, cramps or pain.

Take one or two at bedtime for quick relief. Eat what you like. 10c and 25c.

STOP ITCHING SKIN

Zemo the Clean, Antiseptic Liquid, Gives Prompt Relief

There is one safe, dependable treatment that relieves itching torture and that cleanses and soothes the skin.

Ask any druggist for a 35c or $1 bottle of Zemo and apply it as directed. Soon you will find that irritations, pimples, blackheads, eczema, blotches, ringworm and similar skin troubles will disappear.

Zemo, the penetrating, satisfying liquid, is all that is needed, for it banishes most skin eruptions, makes the skin soft, smooth and healthy.

ALEXANDRIA WITNESSES

The Names of Alexandria Persons Familiar To All

Who are the witnesses?

They are Alexandria people—

Residents of Alexandria who have had kidney backache, kidney ills, bladder ills; who have used Doan's Kidney Pills. These witnesses endorse Doan's.

One Alexandria resident who speaks is B. C. Hall, 115 South Payne St., He says: "My kidneys were so sore I could hardly get up or down. I was so weak and lame across my back it was all I could do to bend over and lace up my shoes. I was always in misery no matter what position I was in. On top of all that I suffered from headaches and nervousness and my kidneys acted so freely at night I couldn't get any rest. When someone told me about Doan's Kidney Pills I was about used up. I got Doan's at Ashton's Drug Store and you can believe me I was surprised at the quick cure I got. I have had no return of kidney trouble since using Doan's".

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Hall had. Foster-Milburn Co., Mfrs. Buffalo, N. Y.

A NERVOUS WRECK

From Three Years' Suffering, Says Cardui Made Her Well.

Texas City, Tex.—In an interesting statement, Mrs. G. H. Schill, of this town, says: "For three years I suffered untold agony with my head. I was unable to do any of my work.

I just wanted to sleep all the time, for that was the only ease I could get, when I was asleep. I became a nervous wreck just from the awful suffering with my head.

I was so nervous that the least noise would make me jump out of my bed. I had no energy, and was unable to do anything. My son, a young boy, had to do all my household duties.

I was not able to do anything until I took Cardi. I took three bottles in all, and it surely cured me of those awful headaches. That has been three years ago, and I know the cure is permanent, fr I have never had any headache since taking Cardui.

Nothing relieved me until I took Cardui. It did wonders for me."

Try Cardui for your troubles—made from medicinal ingredients recommended in medical books as being of benfit in female troubles, and 40 years of use has proven that the books are right. Begin taking Cardui today.

STRAIGHTENED HIM OUT

Solomon Bequette, Flat River, Mo., writes: "Two years ago I was down on my back till I could hardly go. Foley Kidney Pills straightened me right up. I recommend them to all who have kidney trouble." Rheumatic pains, aching joints, sore and swollen muscles indicate that the kidneys are not properly filtering impurities from the blood. Foley Kidney Pills get right at the trouble and give prompt relief. Painful, irregular and sleep-disturbing bladder trouble also yield quickly to their tonic healing action.
